38 yıllık tecrübesiyle sektörün dün, bugün, yarın...

1978 yılında, Hilmi Akdeniz tarafından kurularak, cam sektöründe faaliyetlerine başlayan Akdeniz Cam A.Ş. bağlı bulunduğu değerler çerçevesinde, yaşamın her alanında kullanılan camı yüksek kalite standartlarında müşterilerine sunmuş ve cam sektöründeki önemli firmalardan biri haline gelmeyi başarmıştır. Dünya üzerindeki teknolojik gelişmeleri takip ederek 1995 yılından itibaren faaliyet alanını alüminyum doğrama, giydirme cephe, cam ve kompozit yapı elemanları ile cephe kaplama taahhütlerine doğru genişletmiştir. İlerleyen yıllarda büyümesine hız vererek faaliyet alanlarına; Yapı Otomasyon Sistemleri, Sergileme Sistemleri Üretimi ve Katlanır Cam Sistemleri üretimlerini de dahil etmiştir. 2006 yılı itibariyle kurmuş olduğu yeni üretim tesisinde her türlü Endüstriyel Cam, Bombe Cam, Temperli Cam, Lamine Cam, Isıcam ve Otomotiv Camları üretimine de başlamıştır.

Türkiye'nin saygın markaları arasında yer alan Akdeniz A.Ş., 17.500 m2 kapalı alanda, her biri kendi alanında uzman yaklaşık 300 çalışanı, kaliteli hizmet anlayışı ve güçlü lojistik altyapısı ile dünya standartlarına uygun şekilde faaliyetlerini sürdürmektedir. Satış öncesi ve sonrası verdiği teknik bilgi hizmeti ile her türlü projede çözüm ortağı olarak müşterilerinin yanında yer almaktadır.

Akdeniz Cam A.Ş., yeniliğe ve gelişime açık şirket kültürü, çağdaş global şirket anlayışı ve teknolojik donanımı ile kalite ve müşteri memnuniyetini esas almaktadır. Sahip olduğu kalite belgeleri, titizlikle yürüttüğü çevre yönetim sistem bilinci, güvenilirliği, kullandığı teknoloji ve özel çözümler üretme gücü ile yurt içinde ve yurt dışında pazar payını sürekli artırmaktadır. Kendi tasarım ve Ar-Ge gruplarının geliştirdiği ürün ve sistemlerini, dünya standartlarında imal ederek, kalite kontrollerini tamamladıktan sonra pazara sunmaktadır. Bu çalışmalarla sektörün gelişimine de ciddi katkılar sağlamanın gururunu yaşamaktadır.

Müşteri odaklı yaklaşımı ile sektörün ihtiyaç ve beklentilerini karşılayacak ürünlerini güçlü pazarlama ağı sayesinde Türkiye'de ve dünyanın birçok ülkesinde pazara sunmaktadır.

Yurtiçinde ve dışında oldukça yüksek bilinirliği olan Akdeniz A.Ş.; kalite, güven, rekabetçilik, teknolojik üstünlük ve faaliyet alanı çeşitliliği gibi özellikleriyle öne çıkmakta ve kendisini geleceğe taşımaktadır. İnsana verdiği değer, çalışanlarına duyduğu güven ve kurumsallığın getirmiş olduğu sorumluluk ile 38 yıllık başarılı bir geçmişi ardına alarak yeni umutlar ve projeler ile yoluna devam etmektedir.

Akdeniz Glass Corp, founded by Mr Hilmi Akdeniz in 1978 and started its activities in glass sector, provided high quality glass products and solutions to its customer within the framework of its values, and in a short time, became one of the reputable and successful glass companies in the region. By following technological developments closely, Akdeniz has expanded its activities towards aluminum joinery, curtain wall, glass and composite structure elements and facing works since 1995. In the forthcoming years, it has accelerated the growth and expanded the operations into Structural Automation Systems and manufacturing Carpet Display Systems and Folding Glass Systems. In its new production facility, completed in 2006, Akdeniz now produces all kinds of Industrial, Curved, Tempered, Laminated, Automotive and Double Glass options. Akdeniz Corp, one of the top companies in Turkey now, maintains its activities according to world standards in a factory of 17.500m2 closed area, with 300 skilled labor, strong logistics infrastructure and our devotedness to providing high-quality services.

Akdeniz Corp is based on high-quality and customer satisfaction concept with modern global company mentality, technological structure and its company culture open for innovation and development. Akdeniz keeps increasing its market share both outside and inside Turkey thanks to its ability to provide customized solutions, rigorously performed environmental management system awareness and also its reliability, technology and quality certificates. Akdeniz consistently puts new systems on market after making their unique designs in R&D departments and applying all necessary operational tests. With every new system, Akdeniz takes justified pride of contributing the development of the sector. Akdeniz offers its products in Turkey and many countries in the world thanks to its strong and wide sales network and customer-focused mentality. Akdeniz Corp, having high recognition both inside and abroad, is distinguished by its characteristics like quality, reliability, competitiveness, technological competency and wide range of operation and brings itself into the future. Akdeniz is proceeding on its way with new hopes and projects thanks to its mentality on putting emphasis on person, having confidence on its labors and sense of corporate responsibility, by leaving a successful 38 year-old story behind.
